Dear Jennifer,

This letter is in response to your office action sent on October 28, 2004. Without traverse, I am electing species (i) with readable claims 1, 2, 3, 4, 5 and 7. As reviewed in our phone conversation on this date, please note that I believe Figures 8A and 8B are generic to species (i) and (ii). Thank you for your help and information about the patent process.

Sincerely yours,

Donald Sahlem
